Notes:

1. Due to electrical concerns and popular demand, your Cruise Committee decided to only offer regular coffee.
2. Beverage choices will be limited so plan accordingly and BYOB as needed. (You can expect some red and white wine, beer, pop, diet, and water.)
3. Pleasant Harbor Marina staff has informed us that they no longer have picnic benches on the docks due to safety concerns from their local fire department. The club can provide a few tables but please make your own arrangements so you've got a place on the dock to sit/eat in case all spots are taken.
4. See attachments from the Pleasant Harbor Marina. There is a welcome sheet that covers the basics of the marina; another sheet explaining complimentary shuttle service for hiking at 4 trails in the Olympic National Forest; the menu for the marina deli; and a 3 page attachment for fishing/crabbing regulations.
5. The Pleasant Harbor Marina offers a new service for arriving boats in the yacht club. They will send down one representative from the marina office to secure registration payments on Friday evening. They will provide payment receipts the next morning. Now instead of rushing to the marina office when you arrive, you can start enjoying yacht club festivities immediately!
6. There will be sign-up sheets on the dock for those who wish to help out with hauling goods to the pool area for the BBQ and clean up, etc. Thanks in advance for your participation.
